41 LIGHTHOUSE ST, GALLE FORT

WELCOME TO 41, GALLE FORT

An award-winning private villa, 41 Lighthouse Street's unassuming entrance unveils a secluded and stylish haven within the bustling Galle Fort. Drawing inspiration from the rich Dutch heritage of Galle Fort, the origins of the property can be traced back to the mid-1800s. Today, the luxury villa is your private holiday home, complete with the comforts and facilities of a boutique hotel. If you're travelling with family and friends, this villa gives you a unique and intimate base from which to explore Asia's only living fort, and its surroundings.

LOCATION

Located in the heart of Sri Lanka's historic UNESCO World Heritage site of Galle Fort along Lighthouse Street, the fort's museums, shops, cafés and key landmarks can be reached within minutes from the villa. The town offers very easy access to stunning beaches for swimming, diving and surfing, and for embarking on coastal cruises to observe whales and dolphins in the deep sea.
